

# National Nursing Week May 10-16, 2021

---

**What does  
#IndigenousHealthNursing  
mean to you?**

**What does  
#NursesAnswerTheCallsToAction  
action mean to you?**

Indigenous Nurses Day is celebrated the first day of Nursing Week,  
**May 10, 2021.**

In celebrating Indigenous Nurses Day 2021, the  
**BC Indigenous Health Nursing Chair Program**  
would like to welcome all interested Nurses who live  
within British Columbia to send a selfie, photo, or short (30 sec.) video  
to [ihn@tru.ca](mailto:ihn@tru.ca) answering **one** of the two questions above.

We would like to use these videos and pictures to create a video to empower  
and celebrate Indigenous Nurses during National Nursing Week from  
May 10-16, 2021.

A short video our UVIC/Camosun Indigenous nursing student mentorship  
circle made to celebrate Indigenous Nurses Day (2020):
