

Hello,

The Rural Coordination Centre of BC's (RCCbc) Rural Site Visits project would like to learn about your community's rural health innovations. If you have an adaptation, idea, project or initiative that you think would be great to share with other BC rural communities, please consider submitting them for inclusion to our new Innovations Inventory.

Our story about the benefits of sharing successes and challenges through the innovations inventory is available here: <https://enews.rccbc.ca/2020/09/29/new-rural-site-visits-innovations-web-site-allows-rural-communities-to-share-successes-challenges/>.

If you have questions or want to have a deeper discussion about your innovation, please reach out to our Innovations Concierge, Tracey DeLeeuw at tdeleeuw@rccbc.ca.
