

First Nations Health Authority
Health through wellness

EMPLOYMENT OPPORTUNITY

Community Health Nurse, Resource Team
(Multiple locations across BC)

We are hiring Community Health Nurses! We need your help during these unprecedented times. As a Community Health Nurse you will provide care to the largest and the most diverse First Nations population in the country, in British Columbia. Over the past few weeks we have seen strength and resilience in our communities, you can be a part of supporting each other and the BC First Nations communities we serve.

As the COVID-19 situation evolves, we are acting quickly to ensure client care continues.

As a Community Health Nurse, you will provide a comprehensive range of core nursing functions and services in First Nation communities in program areas of community and/or public health, primary care, and home care through promotion and maintenance of the health of individuals, families, groups, communities, and populations that value the principles of primary health care and focus on promoting health, preventing disease and injury, protecting population health, as well as a focus on curative, urgent and emergent care, rehabilitation, and supportive or palliative care.

Accountabilities

- Recognize the importance of First Nations cultural identity as part of a healthy, balanced lifestyle for individuals within a community
- Apply and utilize key nursing knowledge and critical thinking to choose options and to plan, implement, and evaluate programs and
- Interventions to address health issues, taking into account relevant evidence, legislation, regulations, and policies.

Education & Experience

Bachelor's Degree in Nursing from a recognized university or an equivalent combination of education, training and experience

Minimum 1 year of nursing experience

Current practicing registration with the British Columbia College of Nursing Professionals (BCCNP)
