NURSE PRACTITIONER OPPORTUNITY IN FORT ST. JOHN!

Posting Date: December 1, 2018

Closing Date: Open until filled

Leave behind the every day to join an organization that is truly different.

We're looking for someone to join our team as we build healthier communities and develop a network of outstanding health care professionals.

Northern Health is seeking a Nurse Practitioner to join a Family Practice Clinic in Fort St. John, in the Northeast region of British Columbia. The selected candidate will work alongside Family Physicians in a well-established full service primary care clinic.

The Nurse Practitioner is responsible and accountable for the comprehensive assessment of patients/clients/residents including diagnosing diseases, disorders, and conditions. The Nurse Practitioner initiates treatment including health care management, therapeutic interventions and prescribes medications in accordance with the statutory and regulatory standards, limits, and conditions, and employer policies and procedures. The Nurse Practitioner provides professional guidance to other health professionals and practices autonomously and interdependently within the context of an interdisciplinary health care team, making referrals to specialist physicians and others as appropriate.

To be successful you must be eligible for registration as a Nurse Practitioner with the BC College of Nursing Professionals, have completed or be eligible to complete the Objective Structured Clinical Examination (OSCE) and have recent relevant clinical nursing experience. At Northern Health we offer:

- Full scope primary care in a supportive team based environment
- Amazing annual education allowance
- Generous relocation packages
- Great benefit packages and pension
- Unmatched work-life balance
- Four season, endless outdoor adventure
- Loan Forgiveness Programs offered through the Federal and Provincial Government

Fort St. John is known as "The Energetic City," which reflects the large resource base of oil, natural gas forestry and agriculture, and the vitality of their residents who are keen to live and work in a community that gives back so much. Fort St. John sits high above the spectacular Peace River Valley, Northwest of Dawson Creek and Southeast of Fort Nelson, where endless patchwork quilts of cropland melt into the horizon. Serving an area population of 69,000, Fort St. John is the hub of the Northeast with a new cultural center and library, theatre and art space. The main industries are agriculture, forestry, natural gas, construction and trucking.
