

Position: Nurse Practitioner

The Pender Harbour Health Centre located in Madeira Park on the Sunshine Coast is owned and governed by the non-profit Pender Harbour & District Health Centre Society. We are a recognized leader in rural community health care and are looking for a permanent 0.8 FTE Nurse Practitioner. The position will lead an interdisciplinary Senior's Health Care program aimed to increase health care service for frail elderly patients with complex health needs to improve health outcomes, reduce exacerbations of chronic health conditions, reduce ER visits and hospital admissions, encourage patient understanding and self-directed care planning, and support patient - centered primary care. The NP documents on a shared medical record (EMR), such that referral and information sharing is fluid, easily accessed among the team and aims to reduce duplications of care and health care resources. The program operates through the Pender Harbour Health Centre. Treatment room, Administrative Support and supplies are provided by the Health Centre. The position reports to the Health Centre Administrator.

Qualifications:

Education, Training and Experience

Current registration as a Nurse Practitioner with the College of Registered Nurses of British Columbia (CRNBC); successful completion of the OSCE (Objective Structured Clinical Examination) and two (2) years of recent, relative clinical nursing experience. Nurse Practitioner work experience with seniors would be highly regarded.

Skills and Abilities

- Ability to communicate and collaborate with patients and families about health findings, diagnosis, treatment, self- care and prognosis.
- Ability to collaborate, consult and formally refer patients to physicians and other health professionals when appropriate.
- Ability to plan, implement and evaluate program change.
- Ability to lead a team and work within a team.
- Ability to transfer knowledge, teach, coach and mentor others.
