Job Posting  
**NURSE PRACTITIONER**  
Victoria Health Co-op

Starting Date: September 2019  
Salary: To be discussed

## Description

The Victoria Health Co-op is seeking an experienced and dynamic Nurse Practitioner (NP) on a full-time basis (1 fte). We anticipate a one-year contract with potential for renewal.

The goal of this project is to serve individuals who currently have to rely on walk-in clinics, the ER or, frequently, just forego getting the advice or treatment they need. The successful candidate will work with the Co-operative's Management Team to establish our unique program which will be delivered in co-operation with other Victoria community organizations.

The NP will be a leading member of our team of interprofessional wellness practitioners, Co-op leadership and an MOA. Within that team, the NP will develop a roster of patients starting with a list we have already developed, provide Primary Health Care, adhering to [www.bccnp.ca/Standards/RN\\_NP/StandardResources/NP\\_ScopeofPractice.pdf](http://www.bccnp.ca/Standards/RN_NP/StandardResources/NP_ScopeofPractice.pdf) statutory and regulatory standards. The NP will deliver premium care to each and every patient, maintain accurate and current patient records, and schedule follow up appointments.

Funding is assured for 18 months for this new position and program, and we are actively pursuing long-term resources.

## Qualifications

### Education, Training and Experience requirements:

- Current registration and exam qualified as a Nurse Practitioner with the British Columbia College of Nursing Professionals
- 3 – 5 years relevant clinical community nursing experience as an NP
- CPR/AED Level C certificate
- Successful completion of the Objective Structured Clinical Examination OSCE
- Hold a valid BC Driver's License

Commitment to interacting with patients and Co-op members, including the interprofessional health and wellness treatment and education practitioners, in a manner consistent with the Co-operative Identity.
