The Canadian Centre on Substance Use and Addiction (CCSA) is seeking a BC Registered Nurse or Nurse Practitioner to provide counseling and medical care during a two-day youth and family workshop. Workshop participants will be discussing opioids and other substance use disorders.

The RN/ NP will have a minimum of three years' experience working with youth ages 12-30 years old who have experienced harms from substances and moderate mental health concerns. The RN/NP will provide counselling and/or medical care on an as-needed basis in a private room adjacent to the main workshop. CCSA will provide breakfast, lunch, and refreshments during the working hours. No travel expenses will be reimbursed.

Contact Jill (jfairbank@ccsa.ca) if you are interested.

Thanks,

Jill
