Job Title: Sleep Clinician

Job Location: Prince George

Company Name: AvantSleep

Job Type: Full-time

A great opportunity for a RN, RPN, or LPN looking for a career with a growing sleep therapy company. This role provides excellence in patient care. Flexible working hours and competitive compensation. Training will be provided.

While this role is ideally full-time, we welcome resumes from those interested in 4 days per week.

AvantSleep is committed to providing high quality patient care and support. Visit www.avantsleep.com for more details.

Position Description:

This role provides patients with professional service regarding the use of CPAP/APAP devices. This role involves patient interaction. The Sleep Clinician also ensures proper documentation and processes are maintained.

Position Qualifications:

- 1+ years of experience as a RN or RPN.
- A positive, patient/customer service approach.
- A professional and mature demeanor, strong communication and organizational skills and the ability to multi-task.
- An aptitude for learning.
- Experience using an EMR system is an asset
